ABOUT US

Vision

At Fundación Estrellita de Belén, we envision a world where every child with congenital heart disease has access to life-saving medical care and the opportunity to thrive. We are committed to raising awareness, advocating for equitable healthcare, and empowering the Hispanic community through education and support.

Mission

To heal hearts and restore hope by ensuring that every child with congenital heart disease receives the medical care they need. Through advocacy, awareness, and direct medical support, we strive to bridge the gap in healthcare access, particularly within the Hispanic community, and provide families with the resources to navigate their medical journey with dignity and confidence.
